Skid Capabilities

Skid/Module Systems:

For Chemical, Food & Beverage, Industrial, Gas, Pharmaceutical, Paper and Pulp, Petrochemical, Power Generation

- Distillation/Stripper System
Driox Skid
Emulsion System
Filtration Systems
Flocculant System
Fogging Pump Skid
Fuel Cell Packages
Fuel Gas Skid
Fuel Pump Skid
Gas Compressor Skids
Generator Cabs
H2 Manifolds
Hydraulic Control Systems
Heat Transfer Skids
Hydrogen Peroxide Skid
Hydrogenation Module
Lift Oil Systems
Lubrication Systems
Metering Skid
Micro Turbine Skid
NGL Recover Skid
Nitrogen Plant Skid
Oil Absorption Systems
Oil Purification Systems
Oxygen Compressors
Pipe Racks
PSA Skid
PSA Valve Skids
Pump Skids
Purified Water Skid
Refrigeration Skid
Sanitary Systems
Seal Oil Console
Seal Oil Vacuum Skid
Separator Skid
Sodium Hydrosulfite Skid

- Abrasive Cleaning Skid
Acid Recovery Systems
Air Dryers
Ammonia Skid
Argon Skid
Automated Conveyor Assemblies
Blower Skid Assemblies
Condensate Skids
Cationic Polymer Skid
CO2 & H2 Systems
Compressor Skids
Condensate Recovery System
Cooling Water Systems
Demin Water Forwarding Pump Skid
Dew Point Control Skid

- Sodium Hydroxide Skid
Sodium Silicate Skid
Spent Caustic Treatment System
Steam Skid
Stripper Systems
Surfactant Skid
Temperature Control Skids
Turbine & Compressor Wash Systems
Vacuum Pump System
VOC Vapor Recovery Systems
VPSA Oxygen Skids
Water Injection Systems
Water Wash Skids

* We are not limited to the above mentioned skids ** Please note - We also refurbish skids **
